

PLANNING

SEEDS

# MANIFESTO

SEEDs Planning Solidarity Economy Districts for Social,  
Economic, and Environmental Sustainability

Co-funded by  
the European Union

# PREAMBLE

**I, the undersigned, recognizing the transformative potential of social economy initiatives in fostering sustainable, inclusive, and community-driven development, commit to the principles and actions outlined in this manifesto.**

**We acknowledge the importance of cross-border cooperation, knowledge-sharing, and collective efforts to promote and implement social economy experiments and activities across Europe.**

# OUR VISION

**I envision a European social economy that thrives on collaboration, resilience, and innovation.**

**My aim is to encourage regional and transnational networks that support SEEDs and Short Food Supply Chains (SFSC).**

**These initiatives are essential in fostering local and sustainable development while ensuring social inclusion and environmental responsibility**

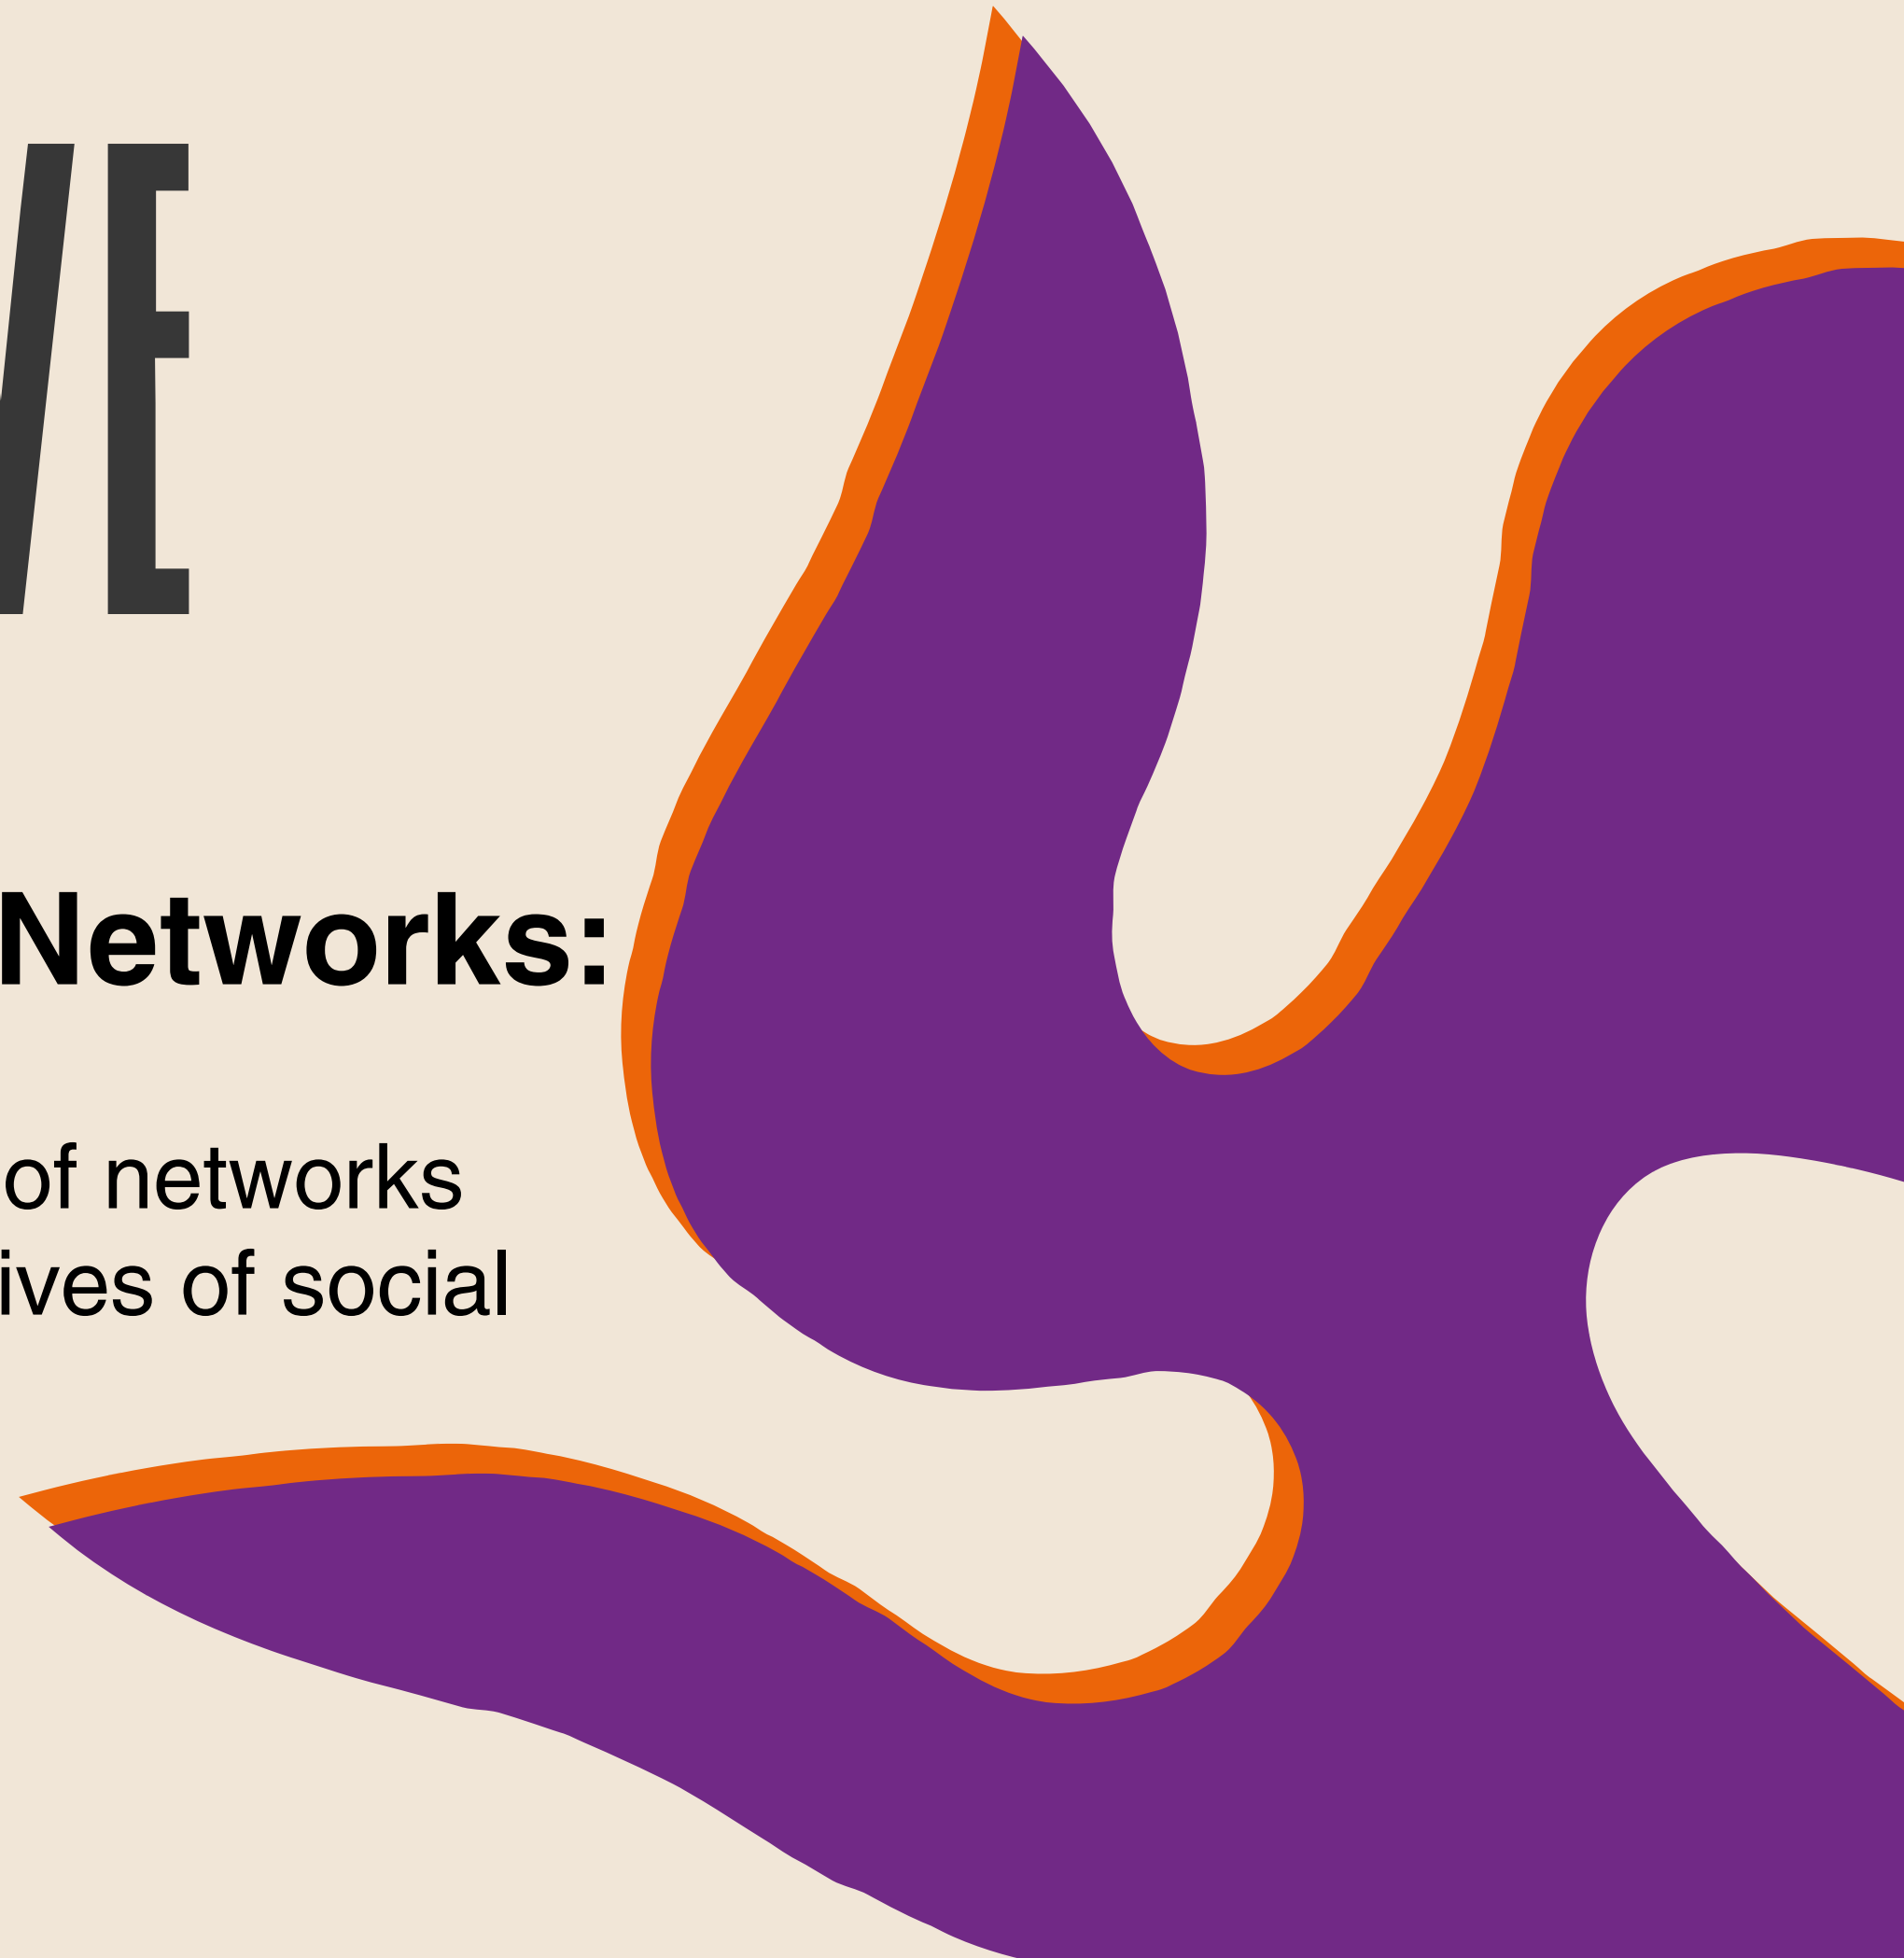

# OBJECTIVES

- 1. Strengthening Regional Networks**
  - 2. Promoting Social Economy Experiments**
  - 3. Encouraging Knowledge Exchange**
  - 4. Enhancing Stakeholder Engagement**
  - 5. Facilitating Policy Advocacy**
- 

# 1ST OBJECTIVE

## **Strengthening Regional Networks:**

I commit to support the development of networks that support the principles and objectives of social economy.

# 2ND OBJECTIVE

## **Promoting Social Economy Experiments:**

I will facilitate the establishment of social economy initiatives, ensuring their sustainability and long-term impact.

# 3RD OBJECTIVE

## **Encouraging Knowledge Exchange:**

I support the dissemination of best practices, research, and case studies through national and international platforms.

# 4TH OBJECTIVE

## **Enhancing Stakeholder Engagement:**

I strive to involve a broad range of stakeholders, including policymakers, social enterprises, academia, and civil society organizations.

# 5TH OBJECTIVE

## **Facilitating Policy Advocacy:**

I advocate for policy frameworks that recognize and support social economy enterprises, ensuring their integration into local and EU-wide development strategies.

# CALL FOR ACTION

**We invite all individuals, stakeholders, and organizations interested in fostering the social economy to join us in this commitment.**

**By signing this manifesto, we affirm our dedication to advancing social economy initiatives and ensuring their long-term sustainability.**

**Together, we can build a stronger, more inclusive, and sustainable social economy across Europe.**
